DDA Memo, 4 Apr 77

Auth: DDA REG. 77/1763

Date: 26 JAN 78 By: 022I. SIGNIFICANT ITEMS

1. Preparation of the Training Manual of SIC lectures given in the 1958 JOT program is now underway with the assignment to SIC of two typists from the uncleared clerical pool. It appears that this will be a very satisfactory arrangement. Notes and lectures presently in longhand in most cases are being copied in double spaced draft form in order that the various instructors can more readily edit and footnote them. Final preparation may be put on stencils or "mats" in order to make a number of copies.

2. The preparation of a Reading List for a seminar of twelve weekly meetings on Chinese Communism is nearing completion and it is anticipated that the first discussion group will be activated by the first week in February.

3. In accordance with the suggestion of the D/TR I have

4. As a candidate for the replacement of [REDACTED] I suggest [REDACTED] of WH Division. He has had a very successful career in [REDACTED] in anti communist and SR counter [REDACTED] has taken both the Organization and Operations course and the ACO. He was an outstanding student and participant of both. He has a fine reputation in DDP. He expressed an interest in serving a tour in SIC in the future. Although WH is certainly not likely to release him willingly, he would contribute in great measure if he could be drafted. [REDACTED] prefers that nothing be done to open up this possibility until he has at least gotten final medical approval for the [REDACTED] assignment.

4. The tutorial of the [REDACTED] is proceeding quite satisfactorily. He is an extremely intelligent person. The procedure of sending him reading material prior to discussion made the opening sessions with [REDACTED] very productive.

5. A trip by [REDACTED] to the Armed Forces Staff College at Norfolk on January 7th was not included in the last Activities Report. A sequel to this fact is the request made by that College to forward the lecture to the Pacific Defense College (SEATO). We believe this is in Manilla P.I. The lecture was not attributed to [REDACTED] or the Agency directly but was indirectly as the program of the College at Norfolk had been previously disseminated to SEATO.
